Mental Health Learning Network

Dear Colleagues

Welcome to issue 26 of the Mental Health Learning Network Newsletter

The MHLN newsletter aims to highlight information, news & key updates within Mental Health. Over the coming months we will be looking at ways in which we can develop and enhance the information and support we give you. If you have any news items or articles you would like included please let us know.

I very much hope you find this newsletter useful. If you have any comments about the newsletter, good or bad, please let me know.

The next edition will be distributed on the 23rd August 2012.
