Supporting Carers Better Network

Dear Colleagues

Welcome to issue 33 of the Attend SCB Network Newsletter.

The SCB newsletter aims to highlight information, news & key updates for carers. We will be looking at ways in which we can develop and enhance the information and support we give you. If you have any ideas or would like to help please let us know.

I very much hope you find this newsletter useful. If you have any comments about the newsletter, good or bad, please contact us.

The next edition will be distributed on the 25th September 2013.
